

Settled and Futures Natural Gas Market Prices and Rates

Monthly Western Canadian Market Price & Actual Manitoba Hydro Gas Commodity Billed Rates

November 15, 2024

Note: Market prices and rates are based at Empress (Alberta/Saskatchewan border) through October 31, 2022. In accordance with PUB Order 131/21 market prices and Gas Commodity rates are based at AECO (main Alberta gas hub) as of November 1, 2022 forward, effectively replacing the former Empress-based Primary Gas rate.
